

Save This Date: Summer 2024 District Meetings

Iowa State Organization

The five district directors are excited to invite you to attend in-person district meetings this summer. The meetings will consist of a state president's address, election of a district director, and chapter recognitions and awards. A training session will be provided for chapter presidents and for chapter committee members of Communications, Educational Excellence, Membership, Nominations, Rules, Scholarship, and World Fellowship. A luncheon will be provided following the meeting and can be supported by your free-will donations.

Here is the district meeting schedule:
